ברוך הוא אלהינו שבראנו לכבודו והבדילנו מן
התועים וננתן לנו תורה אמת וחיה עולם נטע בתוכנו

The *divrei Torah* anthologized in this volume originally appeared on TorahWeb.org, most in conjunction with *parshas hashavua*. The popular forum and format notwithstanding, they seek to address many serious, seminal halachic and hashkafic topics and issues in a timely, yet timeless, fashion without sacrificing the requisite breadth or depth. May *Hakadash Baruch Hu* grant that the variety and array of *divrei Torah* gathered within this volume also convey some small measure of the variegated richness of Torah.

I am humbled that *Moreinu Harav Schachter shlit'a* has allowed my *divrei Torah* to be included alongside his, and pray that we continue to be blessed from his abundantly generous, overflowing fountain of wisdom for many years to come.

I express my profound gratitude to my friend, Rabbi Judah Diament, for his indefatigable efforts on behalf of the *klal*, including (but not limited to) acting as catalyst and editor of this volume.

הוא יפתח לבנו בתורתו וישם לבבנו אהבתו
ויראותו ולעשות רצונו ולעבדו בלבב שלם וכוכ'
